HNC INDUSTRIES PRIVATE LIMITED

About Us

HNC Industries is India's pioneering manufacturer of steel products and a trusted name in material handling solutions. With over 30 years of consultancy expertise and more than a decade of proven excellence in crane manufacturing, we specialize in Gantry Cranes, Electric Overhead Cranes, Semi-Goliath Cranes, Electric Wire Rope Hoist Cranes, and JIB Cranes.

Guided by the vision of our Managing Director, Mr. Lovepreet Singh, we deliver innovation, quality, and value through comprehensive, end-to-end solutions — from design and manufacturing to erection, installation, service, and commissioning. Backed by an expert design team and advanced manufacturing and testing infrastructure, we ensure timely deliveries without compromising on quality, cost, or reliability.

VISION

To be a leading name in the crane and steel industry, known for innovation, reliability, and excellence — delivering world-class solutions that empower industries and build long-lasting trust.

Our Products

HNC Cranes is a leader in lifting systems, offering comprehensive solutions backed by extensive experience. In partnership with trusted manufacturers, our range includes Electric Wire Rope Hoists, EOT cranes, Gantry, JIB, and Semi-Gantry Cranes.

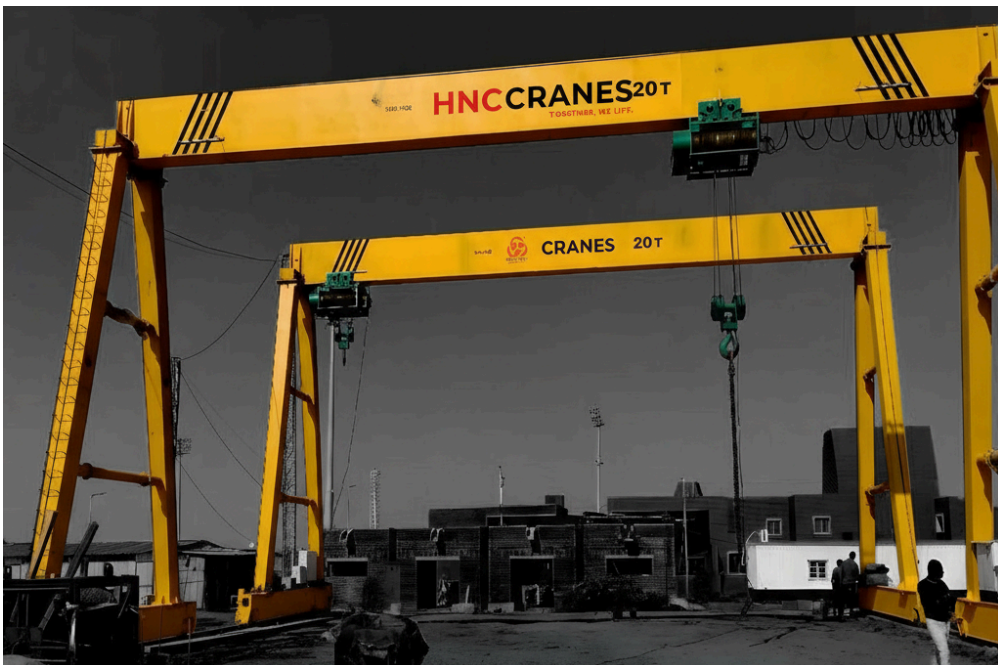

SINGLE GIRDER EOT CRANE

Single-girder overhead cranes provide a versatile, efficient lifting solution, capable of handling heavy loads safely and reliably, even in confined spaces, making them ideal for a wide range of applications.

DOUBLE GIRDER EOT CRANE

Double-girder overhead cranes are the best option for heavy loads in industrial buildings and warehouses.

GANTRY CRANE

Gantry cranes are an indispensable option for many companies looking to optimise their loading and unloading processes.

JIB CRANE

Jib cranes and wall-mounted jib cranes are designed to provide powerful and reliable support at different working points.

SEMI GANTRY CRANE

Semi-gantry cranes provide a space-saving, versatile solution with single or double girders for efficient medium- and heavy-duty lifting.

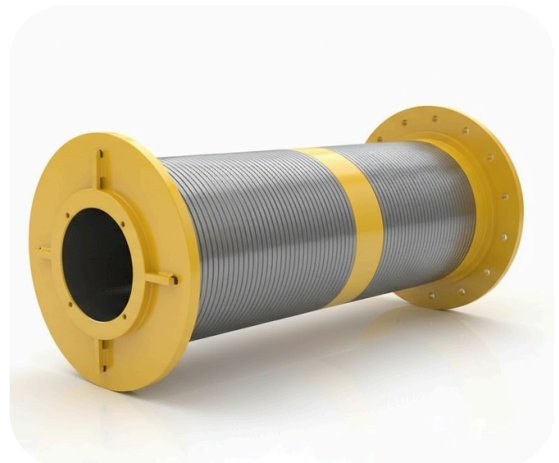

ELECTRIC WIRE ROPE HOIST

Electric wire rope hoists deliver reliable, efficient lifting for heavy loads, offering precise control and durability. Ideal for industrial applications, they ensure safe, smooth operation in a wide range of environments.
